March 2019 Issue

President's Message March 2019

Several of our members were expressing concern about the topic for our March meeting "Orchid Trivia". The concerns certainly turned out to be unfounded. Bob Sprague and his wife Amy made the evening both entertaining and educational. Bob was an engaging speaker who made everybody smile and enjoy the experience. The winning team even received a gift orchid. What could be better? Bob is also very knowledgeable about our native orchids and maybe we have him return to discuss that topic.

I want to thank Jaymie and George W. for filling in for Chris and Sara at the judging/show table. As I mentioned at the meeting, an extra thanks goes out to George W. for the work he has done developing our new web site. Make sure to check it out. It is amazing!

I will be speaking at the April meeting on how to go about growing your plants to perfection. I hope you will find the information useful. Please start to think

about questions you like to ask at our annual orchid panel discussion in May.

Upcoming events include the open house at Stony Hill Gardens in Chester N.J. March 22-24 and the SEPOS show April 5-7.
