November 2023 President's Message

Dear Members,
December is coming with anticipation of sheaths filling with the promise of beauty. Show season begins with the North Jersey Orchid Society show at Douglass College, January 12th through the 14th. Then comes The DeepCut show in Holmdel so, mark your calendars for February 16th to the 18th, and the very wonderful Southeastern Pennsylvania Orchid Society (SEPOS), the date to be announced. We're participating in all the shows this year. Volunteers will be needed as well as plants for the display. Many growers have won AOS awards at these events and the vendors are awesome. A huge thank you to all the members who attended, bought and organized our annual auction. The auction was well attended with 20 of our members there plus approximately 25 other non members. 100 + plants were sold, and the Buy it Now table was a real success. Our financial results will be presented by our treasurer, Matt Pagano. Preparations have begun for our holiday party. Invitations were emailed last week. If you are a paid up member, and haven't received your invitation please see Tobie Parnett. Only paid up members and their guests attend. Please make a pot luck choice. The club will provide the main entrée.

Please see Luanne Arico to order a shirt. We need six more orders to submit to the vendor as the minimum order is 12. I loved seeing members in their shirts at the auction! Please let our November speaker, Kim Feddersen, know if you want him to bring with him anything from his nursery, Fair Orchids. He has many vandaeous orchids, as well as excellent paphs and phrags. See you on November 16th!

CJOS Meeting Location Trinity Church 33 Mercer St, Princeton, NJ 08540-6893 (using 47 Mercer St for GPS may pinpoint the parking lot better)

Here are some map locations and pictures (next few pages) to help find the new location. Here is one of the easiest ways to pin point the new meeting location: It is almost directly opposite Alexander Rd. Since it will probably be dark, I have included a few night time pictures of the meeting location.
